

CLEAN-UP DAY

The City of Mannington will hold a Spring Clean-Up Day on Saturday, April 21. Two large dumpsters will be placed at Mannington Refuse's office beside the Rainbow Plaza from 7:30 a.m. to 3:30 p.m. or until the dumpsters are full. This will give residents a chance to get rid of unwanted household items that are not typically taken in their regular trash collection. However, freon-based and large appliances, as well as tires, automobile batteries, computers, televisions and domestic garbage will not be allowed. Use of the dumpsters is limited to Mannington residents only and a water stub must be showed to prove residence. Contractors are prohibited from using the dumpsters. There will be a city employee with the dumpster all day to make sure these guidelines are followed.
